

DRUMLIN FARM 2012

Summer Camp

Explore! Make Friends! Have Fun!

DRUMLIN FARM

Summer Camp 2012

Drumlin Farm, located 15 miles west of Boston in Lincoln on 232 acres of land, is a Mass Audubon Sanctuary that strives to adhere to our mission "To protect the nature of Massachusetts for people and for wildlife." Drumlin Farm has been offering summer camp experiences since 1956.

At Drumlin Farm Summer Camp, we develop an appreciation of nature, so that campers gain confidence and comfort being in the natural world and understand the interconnectedness between people, land, and wildlife.

We design and structure our camp program with three main concepts in mind:

- **Community:** Our staff works to build a supportive camp community. While campers are building friendships they are also learning about their place in natural communities. They learn to respect their peers and the diversity of their surroundings.
- **Interdependence:** Our camp program focuses on the interdependence of all living things. Campers learn this through chores we do on the farmyard, explorations of habitats, and foods we grow and prepare to share together as a community.
- **Conservation:** Our ethic is one of preserving the land for people and wildlife. Campers have many opportunities at Drumlin Farm to learn and take responsibility for how they can participate in the stewardship of the natural world.

Staff

We have a highly dedicated and knowledgeable staff and maintain low camper-to-staff ratios to allow for small group learning. Trained and qualified camp staff strive to build a connection between young people and the land through hands-on farm and nature activities, games, and crafts. Staff are carefully selected based on their maturity, enthusiasm, teaching experience, knowledge of natural history and farming, and deep commitment to teaching young people about the natural world. Our staff consists of college students and skilled professionals. The average staff to camper ratio is 1:5 for younger campers and 1:7 for older campers.

Safety

All staff are CORI and SORI background checked and are certified in CPR and First Aid. A certified EMT is on staff and a pediatric physician is on call to provide routine or emergency care, if needed.

Drumlin Farm Day Camp is licensed by the state of Massachusetts and accredited by the American Camp Association.

Farm Mania

A one-week farm camp for campers age 4–6th grade

Come to Drumlin Farm for an exciting week of hands-on farm activities! Meet our animals, help care for the sheep and goats, collect chicken eggs, groom the pony, explore the fields, and sample fresh vegetables. Pick strawberries and make fresh whipped cream in June, harvest fresh corn or potatoes and make butter in August.

In groups organized by grade, campers will participate in farm chores and learn how to care for the animals around the farm and help the farmers with vegetable planting and harvesting. Learn what it means to be a farmer and experience the behind the scenes happenings around the sanctuary! Each day of the camp session will focus on a different farm animal theme; daily activities include farm chores, getting to know the animal, cooking, stories, arts and crafts, games and quiet reflection time. End the week with a special day of wacky farm olympics!

Farm Mania I or 2

HALF DAY / Age 4 – kindergarten	member \$195	non-member \$295
FULL DAY / Age 4 – 6th grade	member \$340	non-member \$440

DATES

Farm Mania I June 25 – June 29

Farm Mania 2 August 13 – August 17

TIMES

HALF DAY

Tickled Turkeys /
Age 4 – kindergarten

8:30-11:30 am OR
12:15-3:15 pm

FULL DAY

8:30 am-3:00 pm

Green Goats / Age 4 – kindergarten
Giggling Geese & Daffy Ducks / 1st grade
Shaggy Sheep / 2nd grade
Purple Cows / 3rd grade
Flying Pigs / 4th grades
Funky Chickens / 5th-6th grades

Nature Camp

DATES

Session 1 July 2 – July 13

Session 2 July 16 – July 27

Session 3 July 30 – August 10

Session 4 August 13 – August 17

TIMES

HALF DAY
Pre-K-kindergarten

8:30-11:30 am OR
12:15-3:15 pm

FULL DAY
Entering Pre-K-10th grade

8:30 am-3:00 pm
unless otherwise noted

Our two-week Nature Camp balances farm focused activities and explorations with nature. Campers are encouraged to play, learn, and grow as they observe the natural world of Drumlin Farm. Each day of a camp session will focus on a different farm animal or nature theme. **Daily activities include** farm chores, cooking, arts & crafts, nature walks, games, quiet time and nature reflection time. Our goal is to facilitate positive outdoor experiences with nature in the hope that all camper's will be comfortable interacting with the natural world throughout their lifetime.

PATHFINDERS

Age 4 - entering kindergarten

A half-day program where children explore the farm and sanctuary! Listen to insects hum in the garden and look for birds nesting in the trees. Feel the warmth and softness of a hen's feathers and smell the scent of a pine tree. Relax with a story, crafts, and play nature games. **Campers must be age 4 by June 1.**

HALF DAY member \$360 non-member \$460
Session 1, 2, or 3
(8:30 am-11:30 am OR 12:15 pm-3:15 pm)

SEEKERS

Age 4 - entering kindergarten

Explore our farm and sanctuary with your senses! Listen to insects hum in the garden and look for birds nesting in the trees. Enjoy crafts and nature play time. Meet the animals that make Drumlin Farm their home, climb the drumlin and enjoy the western mountain views. Seekers will have a quiet time each day for napping or relaxation. **Campers must be age 4 by June 1.**

FULL DAY member \$570 non-member \$670
Session 1, 2, or 3

TRACKERS

Entering grade 1

Follow the clues left by animals, large and small, that make the farm, forest, and field their home. Watch the skies and walk the forest trails where wild birds and mammals hide. Spend time with the farm animals, sing songs and make crafts, and learn more about the ways of wild and domestic animals on the farm. **Please note:** Trackers are divided into two groups, please request your campers buddy prior to the first day of camp so they may be in the same group.

Session 1, 2, or 3 member \$570 non-member \$670

EXPLORERS

Entering grade 2

Explore the homes and habitats of Drumlin Farm and visit the animals that live here! Dip nets in ponds and see who lurks in the murky waters. Look under logs and find who lingers in the nooks and crannies of the forest. Take part in farm chores and learn why the farm is an important habitat for all the animals of Drumlin Farm.

Session 1, 2, or 3 member \$555 non-member \$655

NATURALISTS

Entering grade 3

Grab a hand lens and a pair of walking boots and get ready for an expedition every day! Hike the trails looking for nature's treasures, identify insects that dwell on the drumlin, and explore the critters that live in the ponds. Enjoy up-close visits with our captive wildlife, meet the farm animals and have a taste of our garden veggies!

Session 1, 2, or 3 member \$555 non-member \$655

FARMERS

Entering grade 4

Put on your overalls and join the farm crew! Every morning you'll help with cow milking, pony grooming, gardening, stall mucking and other chores. Learn about the importance of nature's role in farming by observing insects, birds, mammals, plants, and the weather! On your last day, share in the fun of cooking, working together and eating an old-fashioned farm feast.

Session 1, 2, or 3 member \$555 non-member \$655

BIOLOGISTS

Entering grades 4-5

Come be a scientist at Drumlin Farm! From ponding and bug catching, to weather experiments and geology, we will explore the natural history, wildlife, and ecosystems of the sanctuary. This program is designed to enhance understanding of natural sciences, as well as lay a good foundation for scientific exploration! Whether it is catching frogs, learning about climate change through CO₂ experiments, or even eating ice cream glaciers, this program is all about hands on learning.

Please note: this program focuses on science and not on farm activities.

Session 1, 2, or 3

member \$555

non-member \$655

EARTHKEEPERS

Entering grades 5-6

Explore our fields and forests as if it were 1,000 years ago. Discover the relationships among plants, animals, people and the resources we share. Learn about the dependence on land and age-old ways of understanding the natural world through stories, crafts, tools, and native wildlife. Spend an evening camping out on the drumlin, cook over a fire, take a night hike, sleep under the stars and learn how to tread lightly on the land. Campers will sleep in tents.

TWO WEEKS

member \$585

non-member \$685

Session 1, 2, or 3

Please note: The overnight will be the second Thursday of the session; camp begins Thursday at 8:30 am and ends at 9:00 am on Friday morning.

ONE WEEK

member \$340

non-member \$440

Session 4 only

Please note: The one week session is a condensed version of the two week session; There is NO overnight for the one week session.

APPRENTICES

Entering grades 6-7

Step into the farmer's shoes and take an in-depth look at the farming practices and natural places of Drumlin Farm! Understand why local food is important. Work with our farm staff to grow vegetable crops in Boyce Field and care for the farm animals. Conduct your own scientific investigations on vegetable crops, understand the importance of the sun in growing and cooking food. Take field trips to local farms and set up your own farm stand for camp families! Each session is highlighted by an overnight the last Thursday of the session. Campers will sleep in tents.

TWO WEEKS

member \$585

non-member \$685

Session 1, 2, or 3

Please note: The overnight will be the second Thursday of the session; camp begins Thursday at 8:30 am and ends at 9:00 am on Friday morning.

ONE WEEK

member \$340

non-member \$440

Session 4 only

Please note: The one week session is a condensed version of the two week session; There is NO overnight for the one week session.

ADVENTURERS

Entering grades 7-8

Discover the nature of New England! During the first week of camp experience exciting day trips to diverse habitats, including ocean and tide pools, field, forest, mountain and farm lands. Hike along wooded trails, investigate local rivers, and learn about the history of the landscape. During the second week of camp, go on a 3-night 4-day camping trip, departing Tuesday morning and returning on Friday afternoon.

Itinerary and packing lists for all Adventurers' trips will be sent to participants in the spring.

TWO WEEKS

member \$760

non-member \$860

Session 1

White Mountains

Hike up to some sensational views as you explore some of the finer lodging huts and trails in the White Mountains of New Hampshire. Engage in backcountry learning opportunities and get set to see signs of a variety of wildlife while on the trail. This is a backpacking trip.

Session 2

Coastal Massachusetts

Explore the Massachusetts coast from the south shore to the Westport River. Discover the woodlands, marshes and beaches and other secret spaces in our favorite bay state! This trip is all about beach fun.

Session 3

Exploring the Berkshires

Camp, hike and swim among the glorious mountains, lakes and rivers of western Massachusetts! Take a hike on the Appalachian Trail, enjoy waterfalls and relax around a campfire at night. This is a hiking trip.

ONE WEEK

member \$700

non-member \$800

Session 4

Sea Kayaking in Maine

Enjoy beautiful sunrises and sunsets during a paddle along the Maine Island Trail. Get to know wildlife at sea level and explore some of the beautiful Maine coast and islands. Camp on uninhabited islands and fall asleep under the stars to the sounds of the ocean. This trip departs Drumlin Farm on Monday and returns on Friday afternoon.

**Campers create memories
and build friendships
that will last a lifetime.**

Teen Programs

FULL DAYS 8:30 am-3:00 pm

COUNSELOR IN TRAINING (CIT)

Entering grades 9-12

Would you like to be a camp counselor or a naturalist? Our CIT program is a leadership program designed for high school students who wish to learn more about and gain experience working with children in a natural history and farm-focused camp environment. Our CIT Coordinator provides ongoing training and support for CIT's as they develop individual teaching, leadership, and natural history skills. You'll learn about the environment, assist counselors, lead group activities, and participate in a conservation project.

All CITs must attend CIT training on June 28-29, 2012. Further information about CIT training will be sent in the spring. A two-session, three or four-week commitment is required. CITs may join us for all sessions. Fee includes CIT training and two sessions of camp, additional sessions may be attended at no charge.

Session 1, 2, 3, or 4 member \$400 non-member \$500

ECOLOGY IN ACTION

Entering grades 9-12

Are you interested in how conservation organizations conserve habitat for people and wildlife? Would you like to practice field research that helps scientists protect important bird, insect, and amphibian species? Ecology in action is a mix of field science, and research using the tools and skills of conservation biologists including GPS/GIS, advocacy to learn how conservation professionals support environmental legislation, and a virtual internship, at the office of a fictitious urban and regional planning firm. You'll have a chance to apply your understanding of wildlife and their habitat needs, weigh the trade-offs of land use decisions in ecologically-sensitive areas, interact with stakeholders and use iPlan, a custom-designed Geographic Information System, to develop a land use plan for a local community in our watershed.

member \$275 non-member \$375

**Session 1 July 23-27
Session 2 August 6-10**

9:00 am - 4:00 pm

ANIMAL APPRENTICES

Entering grades 9-12

Do you know what it's like to feed, care for, and work with wild and domestic animals? Are you interested in exploring the ecology of a farm and how cultivated farm land and wild habitats are connected? Animal Apprentices is designed for teens who wish to learn more about animals (wild and domestic) and gain experience in their direct care from animal care professionals and naturalists. Working with our farmer and wildlife care staff, participants will learn animal science, assist with animal chores, receive training for working with animals, and complete an animal-related stewardship project on the sanctuary. Explore the animals of Drumlin Farm, learn about environmental ethics, and meet other like-minded teens.

member \$400 non-member \$500

**Session 1 June 25-29
Session 2 August 13-17**

FARM-ECOLOGISTS

Entering grades 8-10

Get a behind the scenes view of Drumlin Farm. This internship-style experience will take you to all corners of the farm as you shadow our staff and participate in the many activities that keep Drumlin Farm running. Join our livestock and wildlife care staff in caring for the animals. Learn about the local food movement, how to grow vegetables, harvest them and prepare your own lunch. Work with the education department to develop new programs for visitors. Join our ecological management team to research some of the remote habitats of the sanctuary. Each day will be a different adventure, and we'll leave time for traditional camp fun along the way.

Session 1, 2, or 3 member \$555 non-member \$655

AVIAN ADVENTURERS

Entering grades 6-12

Embark on a weeklong camping and birding adventure. Throughout the week we will learn about birds and their relationships with various habitats in Massachusetts. Through hikes, boat trips, beach trips, guided tours, and our own exploring we will go in search of the best birds that August has to offer. This program will depart Drumlin Farm on Monday morning and return on Friday afternoon. Itinerary and packing lists will be sent to participants after registration.

August 20-24 member \$575 non-member \$675

"I love how the counselors are really into their jobs. It seems like so much more than a summer job. There's really a sense of community that I love."

- Drumlin Farm Camper Parent

Drumlin Farm Mini-Camps

Habitats & Hideaways

Entering grades kindergarten - 2

Turkeys, deer, foxes, birds, salamanders and more call Drumlin Farm home. Do you know where to find their homes? Join us as we explore their habitats and learn how and where they build their homes. Build a bird nest and design a critter condo.

June 26-28 member \$180 non-member \$280

Nature Crafters

Entering grades 2-4

Get crafty using nature as your inspiration as we explore the fields, forest and farmyard area of Drumlin Farm. Create unique works of art from natural and recycled objects. Bring your imagination and the creativity will flow.

July 3-5 member \$180 non-member \$280

Geology Rocks

Entering grades 2-4

New England has a rich history in geology and our drumlin was created from a glacier! Grow crystals, build casts of fossils, make a volcano, learn about sedimentary layers and become a mini-rock expert! This mini-camp will teach kids about how geology touches all parts of our lives from dinosaurs to farming.

July 10-12 member \$180 non-member \$280

Wild Wetlands

Entering grades 2-4

Discover what lies above and below the surface of the water. Explore the vernal pools and the forest looking for slimy yet cute amphibians like a wood frog or a yellow spotted salamander. Take a look at invertebrates under the microscope and learn about the cool adaptations of reptiles and amphibians that depend on healthy wetland habitats.

July 17-19 member \$180 non-member \$280

Garden Gourmets

Entering grades 3-6

Harvest some fresh veggies in the garden then head to the kitchen to prepare some tasty treats. Focusing on learning about local farms and food and the importance of gardens and using whole foods, campers will work with a chef to create healthy meals and snacks to inspire their culinary creativity.

July 24-26 member \$180 non-member \$280

"Through camp my child gained a better appreciation for nature, a greater sense of independence, and a bit of confidence."

- Drumlin Farm Camper Parent

TIME 9:00 am-3:30 pm

Note: After-camp is available for mini-camp participants

Energy

Entering grades 3-6

What is energy, where does it come from and how does it work? Join us for an energy audit of Drumlin Farm to discover how we can save energy and learn how to save energy back at your own homes. Tour the farm to see all the ways we are "greening" up the farm. Activities include: building mini-solar cars, solar ovens, building mini-windmills, insulation exploration, greenhouse gas experiments and planting.

July 31-August 2 member \$180 non-member \$280

Fabulous Forests

Entering grades 1-4

What better place to spend a summer day than under the forest canopy. Learn about the levels of the forest from the creatures in the soil to the birds on the tops of the trees. Explore why trees are so important and learn to identify trees by their leaf shape. Build mouse houses and do arts and crafts projects using natural objects.

August 7-9 member \$180 non-member \$280

High Flyers

Entering grades 1-3

Hummingbirds hum, hawks soar, and dragonflies zip through the summer sky. Animals that fly are fun and exciting to investigate. Learn how to identify local birds and insects while exploring their ecological role and observing their behavior. Experience a bird of prey up-close, dissect an owl pellet, and learn amazing facts about beautiful butterflies.

August 14-16 member \$180 non-member \$280

Farmyard Frolics!

Entering grades 1-4

Grab a pitchfork and get ready for some farmyard fun! Meet our animals; groom the pony, milk the cow, collect eggs, muck out a stall, pet the sheep and goats, learn how to work with wool and eat some fresh veggies. This mini-camp is all about the farm!

August 21-23 member \$180 non-member \$280

Assabet River Mini-Camps

On location at Assabet River
National Wildlife Refuge

Explore and learn about nature while at the Assabet River National Wildlife Refuge (ARNWR) in Sudbury (680 Hudson Road). These mini-camps will be taught by Drumlin Farm staff and National Wildlife refuge staff.

Nature Discovery

Ages 4-5

Discover a national wildlife refuge. Each day we will visit a different habitat to learn about the diverse group of animals that live on the refuge. We will focus on mammals, amphibians, birds, reptiles and insects. Begin your initiation to the natural world through short hikes, hands-on and sensory awareness activities, and crafts.

June 26-28

member \$180

non-member \$280

TIME 9:00 am-3:00 pm

Note: After-camp is NOT available for mini-camp participants

Pond On!

Entering grades 3-7

Grab your boots and explore wetlands, discover frogs, turtles, fish, and other aquatic creatures. Discover the amazing adaptations of aquatic animals and predict the health of the water by water quality testing. Go for a canoe trip around the pond while exploring the corners of the wetlands. Try to catch the big one while fishing.

July 24-26

member \$180

non-member \$280

Nature Exploration

Entering grades 1-3

Lace up your boots and explore the refuge's ecosystems and what lives in them. Simple observations and investigations provide a foundation of interest and desire to learn more about nature in years to come. Short hikes, hands-on activities, songs and creative endeavors round out the day.

July 31-August 2

member \$180

non-member \$280

Rock & Roll

Entering grades 1-3

Your rock collection will grow during this camp! You will examine the three types of rocks, examine minerals and fossils, learn how they form, and how to identify them. Make rock music, create rock art and eat an edible glacier.

August 7-9

member \$180

non-member \$280

Woodland Wonders

Entering grades 2-4

The forest is a magical place with all the trees, plants, insects, animals and birds. Look around and you will find animals and trees of various shapes and sizes. From spider webs to bee hives, bird's nests and beaver dams, discover how animals shape their world around nature.

August 14-16

member \$180

non-member \$280

Animal Orchestra

Ages 4-5

Summer is in full bloom in August and so are the critters in the forest. Come see what the chirping, buzzing and splashing is all about. Discover the music of nature as we learn bird songs, insect sounds, frog calls and more. Make a musical instrument of your own and discover that every animal has a place in the choir.

August 21-23

member \$180

non-member \$280

(Member price is available to members of Mass Audubon & Friends of the Assabet River National Wildlife Refuge)

OPEN HOUSE

Come see the refuge and meet the staff.

June 7th • 5:00 pm – 6:30 pm

Questions? drumlinfarmcamp@massaudubon.org / 781-259-2244

REGISTRATION

Each registration form must be complete and accompanied by a \$100 non-refundable, non-transferable deposit for each camper and session. Registrations will be processed by date-received order, beginning December 15 for returning campers and January 18 for all campers. For identity safety assurances, fax and email submissions are not accepted. **Phone registrations are not accepted.**

If registering after **May 1st** the entire session fee must accompany the registration form.

Full payment and forms must be returned to the camp office by May 1st or you risk losing your child's camp slot. No camper is allowed in camp unless all forms, waivers and payments are complete. Forms are not accepted on the first day of camp. There is a \$20 fee for late forms.

Send completed registration form and payment to:

Drumlin Farm Camp
208 South Great Road
Lincoln, MA 01773

ENROLLMENT CONFIRMATION

Confirmation letter, camp forms, camp handbook & other information will be mailed to all campers as soon as your registration has been processed.

REFUND & CANCELLATION POLICY

All cancellation requests must be received in writing. No refunds will be issued after May 1 (partial refunds minus the deposit are given before May 1). No refunds or transfer of funds will be given for withdrawal, dismissal or incomplete attendance, including sick days.

DISMISSALS

The camp director reserves the right to dismiss a camper when in her judgment the camper's behavior interferes with the rights of others, the smooth functioning of the group or activity, or violates the camp's principles of conduct. In such cases no refunds will be given.

DROP OFF / PICK-UP

Drop off:

Morning drop-off is 8:30-8:45 am.
Afternoon drop-off for half-day campers is 12:15 pm.
Mini-camp at Drumlin Farm drop off is 9:00 am.
Mini-camp at ARNWR drop-off is 9:00 am.

Pick up:

Morning pick-up for half-day campers is 11:30 am.
Afternoon pick-up is 3:00-3:15 pm.
Mini-camp at Drumlin Farm pick-up is 3:30 pm.
Mini-camp at ARNWR pick-up is 3:00 pm.

CARPOOL

Carpools are extremely successful! To be on the list, check the box on the camper registration form and your information will be shared with other interested families. Carpool lists will be mailed in May.

MEDICAL INFORMATION

Under Massachusetts state law, all campers must have a health form on file before attending camp. This includes a physical examination and immunization record signed by their physician within the 24 months prior to camp attendance. Authorization forms are also required for the administration of prescription and over-the-counter medications. Health forms will be sent to you upon registration. Please contact Rina Rossman, Health Care Supervisor if you have any questions at rrossman@massaudubon.org.

BUDDY REQUESTS

We try to accommodate each campers request to be with friends; however, our main concern is to provide a well-balanced group experience for everyone. Please indicate on your registration form if your child would like to be placed with a friend in the same grade.

One request per camper is honored when possible, and both campers must request each other; while we are typically able to honor these requests, we make no guarantees. All friend requests must be done at least ONE WEEK PRIOR to the first day of camp.

T-SHIRTS

Included in your camp fee is an organic and environmentally friendly camp t-shirt. Please be sure to order the correct size now, when in doubt order a larger size.

FINANCIAL ASSISTANCE

Drumlin Farm provides financial assistance to campers based on demonstrated economic need and available funds. Financial assistance is limited to one session per child. If you would like an application or more information, please contact the camp office.

QUESTIONS & CONCERNS

If you have any questions or concerns regarding camp or your child's attendance at camp, please contact the Camp Director at 781-259-2223 or bgilles@massaudubon.org.

DRUMLIN FARM Summer Camp 2012

After-Camp

An extended day
program

Time	3:00-5:45 pm
Monday-Friday Package	\$95.00
Single Days	\$20.00/day

Drumlin Farm offers an extended day program for our camp families. **After-camp** is available during all camp sessions from 3:00 pm to 5:45 pm. Each day campers will be provided with a snack and have the opportunity to participate in a variety of activities including: farm chores, indoor and outdoor games, arts & crafts, cooking and quiet-time activities. Families can register for the after camp program on a daily or weekly basis.
